

ClubFundingWinter2022TransparencyReport

As per section 5.1.16 of the Clubs Code all clubs approved for funding for the Fall 2021 Club Funding period are made publicly available on this document. Clubs that were denied club funding are not listed by name, however the number of clubs that were not approved is listed.

The approval process first started at Campus Vibez uOttawa. Zachary Flahaut, Liliya Molchanova and Lwam Zygta from CVUO were responsible for the interim review, which involved sending early applications recommendations on making better applications and ensuring that all the fields were correctly filled. CVUO was also responsible for compiling the applications and presenting them to the UOSU Student Services Committee. No approval or rejection of applications was done by any of the CVUO members.

UOSU's Student Services Committee was responsible for conducting the final review of the application. The committee met several times over the course of January 2022 to discuss and decide on each application individually. The Student Services Committee members are as follows:

- **Zachary Flahaut**, Interim Student Services Commissioner (Chair)
- **Victoria Paller**, Health Sciences Board Member
- **Alexandra Cooper**, FSS Board Member
- **Lia Bosquet**, Francophone Affairs Commissioner
- **Nouria Sawadogo**, Operations Commissioner

CVUO members, Liliya, Meeka, Roshana, and Lwam, were also present at these meetings but did not vote.

\$50000 was planned to be allocated evenly between each tier but due to an extra funds from the spring/summer 2021 and Fall 2021 club funding, the Clubs and Services Committee reallocate the extra funds evenly between each tier. Thus increasing the total amount of funds from \$50000 to \$65377.08. Additionally, supplemental funds were added to help fund more activities based on the amount of applications and total amount requested in each tier. A total of \$6600 was added to the sapphire tier making it go from \$21792.36 to \$8392.36, a total of \$11098.32 was added to the Ruby Tier making it go from \$21792.36 to \$32890.68 and a total of \$3103.06 was added to the Emerald Tier of which \$1500 was moved forward from the Spring/Summer 2022 club funding to the winter 2022 club funding making it go from \$21792.36 to \$24895.42.
